“SUCCESS IS A CHOICE”

WELCOME

Beachside of Connecticut Soccer Club is a premier program that serves highly motivated, dedicated and enthusiastic athletes on and off the soccer field. We are confident that our quality coaching combined with our competitive and challenging environment will help shape our athletes into positive young adults and competent soccer players.

Here at Beachside we are grateful to have athletes of all backgrounds, abilities and interests. Every single one of our athletes is very important to us. That is why it is imperative that we maintain a healthy outlook on sport. While winning and playing both attractive and effective soccer is important to us, developing our athlete's personal values and soccer talents is foremost.

Since 1994, the uniqueness of Beachside continuous: we have not compromised our integrity, maintained our high professional standards and player expectations, and have emphasized a flexible, technical and attractive style of play. Over the long run our setbacks have been equally as important to growth as our success: it is in our setback and disappointments where our club rises to the top and differentiates itself.

This consistent and positive environment has developed Beachside into the most successful soccer club in player development on and off the field in the Region. Our track record speaks for itself, and our coaches, players and parents have all played a role in our success and development as a club over the last 17 years.

Come experience the Beachside Culture.....

And realize your dream, as other players in our program have, whatever that may be:

- World Cup Player
- U.S.A. Senior National Team Member
- Professional Player
- NCAA Herman Award Winner
- NCAA Champion
- NCAA All-American
- NCAA Academic All-American
- NCAA Soccer Player*
- Regional Champion
- State Champion
- Compete Against the Countries Best
- Help Support Charities in Need
- Build Friendships that will last a Lifetime
